

# THE SINNER'S PRAYER

Nicole Jonas

**Em Am**

Jesus, what have I to say

**Em**

Now standing here before You

**Am**

Broken, afraid

Jesus, wasn't it true

I said I'd never let fear

Keep me from You

*Chorus 1:*

**D C**

How could I have said the things I did

**D C**

When given the chance to share Your fame

**D A**

My choice instead was to run away and hide

**C A**

To hide my love for You

**Em Am**

To deny the Truth

My God, how could You forgive me

After I broke Your heart

I'm on my knees

Savior, You call out my name

You say Your grace is enough

For this, all the same

*Chorus 2:*

There You stand, with arms open wide

I'm in Your hands, You pull me inside

This love I feel will never go away

In Your heart, we will stay

*Chorus 2 (2<sup>nd</sup> time):*

**G D**

There You stand, with arms open wide

**G D**

I'm in Your hands, You pull me inside

**G A**

This love I feel will never go away

**G A**

In Your heart, we will stay

**G D**

Forever and ever *(2x)*

**G - D - G - D**

**G D**

I thank You Jesus *(2x)*

**G D**

For Your love, forever

**G D**

Together forever

**G D**

I thank You, I thank You

**G**

Jesus

**G - D - G - D**
