

CELL PHONE vs BIBLE

I wonder what would happen if we treated our Bible like we treat our cell phone?

What if we carried it around in our purses or pockets?

What if we flipped through it several times a day?

What if we went back to get it whenever we left home without it?

What if we used it to receive *text* messages?

What if we treated it like we couldn't live without it?

What if we gave it to our kids as a gift?

What if we took it with us and used it when we traveled?

What if we used it in case of emergency?

Oh, one more thing: Unlike our cell phone, we don't have to worry about our Bible being disconnected because Jesus already paid the bill!

And no dropped calls!

Makes you stop and think: *Where are my priorities?*

And then . . . *Hmmm . . . where is my Bible?*
